# What's your kitchen style?

Given how much time we spend in them – cooking, celebrating or just hanging out – today's kitchens must function for the way we live, but more importantly, they must feel personal.

So when it comes to defining your personal style, what says "home" to you? Do you lean more towards a modern aesthetic or does a traditional inspired setting soothe your soul? No matter where you are on the style spectrum – with Kitchen Craft – you're sure to find a look that's a reflection of you and your home.

# Modern Farmhouse

In this kitchen, the pairing of the Keelie shaker door style with the Nordic paint finish creates a classic look that is fresh and bright. Blending the Winter stain finish in the island and range hood adds contrast and warmth to this beautiful country kitchen.

01

**Workhorse Island.** This gorgeous island provides functional storage on all four sides! These deep drawers at the end of the island provides direct access to pots and pans while at the stove.

02

**Waste Management.** The front of the island features this Double Waste Bin. Having two bins allows you to sort your waste and recyclables all in one location. This handy top drawer keeps your garbage bags close at hand.

# Luxe Living

This kitchen is an entertainer's dream!

From the tall storage to the long stately island to the soaring range-hood, this kitchen is wrapped in elegance. Behind this magnificent kitchen lies a little secret – the butler's pantry. Here, all of your preparation can be contained without exposing the clutter to your guests.

This well-appointed butler's pantry is U-shaped in design, providing three distinct work zones. On the right there is a mix of both open and concealed shelves to store food and small appliances. On the left is an additional sink and an expansive counter for meal prep. Lastly, on the centre wall is the jewel of this pantry – the dedicated beverage centre. It's the perfect place to store and serve your finest reserves!

KITCHEN

# Casual Comfort

From the soft taupe paint to the beach planked floor and white cabinets, this shaker kitchen is bathed in a warm, monochromatic colour palette. This was a purposeful design choice as the goal of this renovation was to create a space that is open and welcoming for big family get-togethers.

01

02

01

**Light and Airy.** In this kitchen, the homeowners desired a modern take on the farmhouse style. The pairing of the Salem door style with the Alabaster finish brought this gorgeous look together in a way that is both fresh and timeless.

02

**Kitchen Party.** This little nook makes an excellent beverage centre. The tall wall cabinets feature glass doors that allow the homeowner to display their beautiful serving dishes and stemware.

This stunning kitchen celebrates the core principals of Scandinavian design with a clean-line, minimalistic setting that seeks to combine functionality with beauty.

To balance the bright white walls, a nature inspired colour palette was selected for the cabinetry featuring a soft watery blue and a warm light toned maple island.

Additional texture was threaded through the kitchen by lining maple Frappe within the wall open shelf area and behind the glass doors.

# Affinity Storage Solutions

In addition to our wood crafted storage solutions, we also offer a clean sleek line called Affinity. All Affinity storage solutions are constructed with a dark grey metal frame. This dynamic collection pairs nicely with many contemporary door styles. Affinity - storage with style.

**01 96" Tall Pantry Pull-out Low Dispensa** This pantry fully extends allowing you to access from either side. Take stock of your pantry at a glance without buying a duplicate item again!
